**Was the office staff at Global Crossroad courteous and helpful? :**

Yes, very much so! (Thanks, Chery!!)

**Did you receive your airport pick-up?**

Yes, they were waiting for me right when I got off the plane. ☺

**Did you enjoy your volunteer project?**

I had a wonderful time and would gladly have stayed longer! I was teaching to the youngest kids at a nursery, primary and secondary school. I did not realize how attached I was to my students until the day that the class had physical education along with several other classes and I thought to myself, how lucky am I to have the most beautiful kids in the entire school! Yes, Ghana was everything I had hoped for and more. Everyone was very helpful and I truly felt like I was helping as well, especially during my volunteer stay.

**Did you enjoy your overall experience?**

Yes, Ghana was everything I had hoped for and more. Everyone was very helpful and I truly felt like I was helping as well, especially during my volunteer stay.

**Do you have any comments that you would like to help us improve?**

The mini-venture coordinator, Martin, was more than helpful with everything, including finding the hotel for me and I actually enjoyed the independence of staying there myself, so it all worked out for the best!

Overall, I was very pleased and I would gladly recommend the program to a friend or participate again!
